

AGP: Schedule for Final Evaluations

- Students are advised to check the exam schedule one day before the exam for any change in schedule.
- As final evaluation may be conducted in a form different from a regular Major exam, only the end time of the evaluation of any course offered in a specific slot is mentioned. Kindly keep submission of the evaluation response from the student after the endtime.

- The evaluation schedule for the courses offered in other slots, not included in the table below, will be announced by the concerned Course Coordinator as required. Any overlap should be avoided while scheduling the exam.
